

NEW! First Aid For Children

Emergencies in Infants and Toddlers

HAUS DER FAMILIE

As a child grows, the dangers and risks change.

In this course, experienced pediatrician Dr. Middendorf will discuss the most common and age-typical emergencies in infants and toddlers. The focus is on recognizing potential risks and their prevention, with demonstrations.

Mittwoch, 19:00 - 21:15 Uhr
24.9.25
1x3 Ustd.
Gebühr: € 21,- bis 28,-
Leitung: Beatrix Middendorf
